25X1A

25X1A6a The [REDACTED] is preparing a study on the conventional weapons capability of Communist China, and requests [REDACTED] support in the form of information or estimates on the production capability and total park and/or inventory of conventional ground, air, and naval weapons, including small arms, ammunition, armored vehicles, military vehicles and trailers, tank carriers, and rolling stock. They are also requesting information or estimates on what effect the withdrawal of Soviet support has had on Chicom efforts in the fields of electronics, chemicals and munitions, heavy equipment and armaments, and rolling stock. 25X1A2g

2. Please forward any [REDACTED] materials that will aid the G-2 in preparing this study, (transmitted under separate cover is a list of locally available sources).

3. From IR we would appreciate the citation of significant intelligence reports which indicate the current Chicom production capabilities and difficulties of those items listed in para. 1 above.

4. We would appreciate receiving, by mid-November 1963 if possible, the following items:

- a. the latest edition of EIC, PSC-WP3, 1 March 1960;
- b. 10 copies of map number 36422.1, or a suitable substitute;
- c. a Military Collection Handbook similar in content and format to C-RR2 60201;
- d. sources and further comment on the figure of 200,000 combined park in "Tonnage in Tibet" (Studies in Intelligence, Vol. 7, No. 2, Spring 63.).

5. Transmitted under separate cover is a list of finished intelligence products which are available locally to the requestor.
